LOCK

K1

TURY SMART APP BLUETOOTH LOCK  
INSTRUCTION

# STEPS

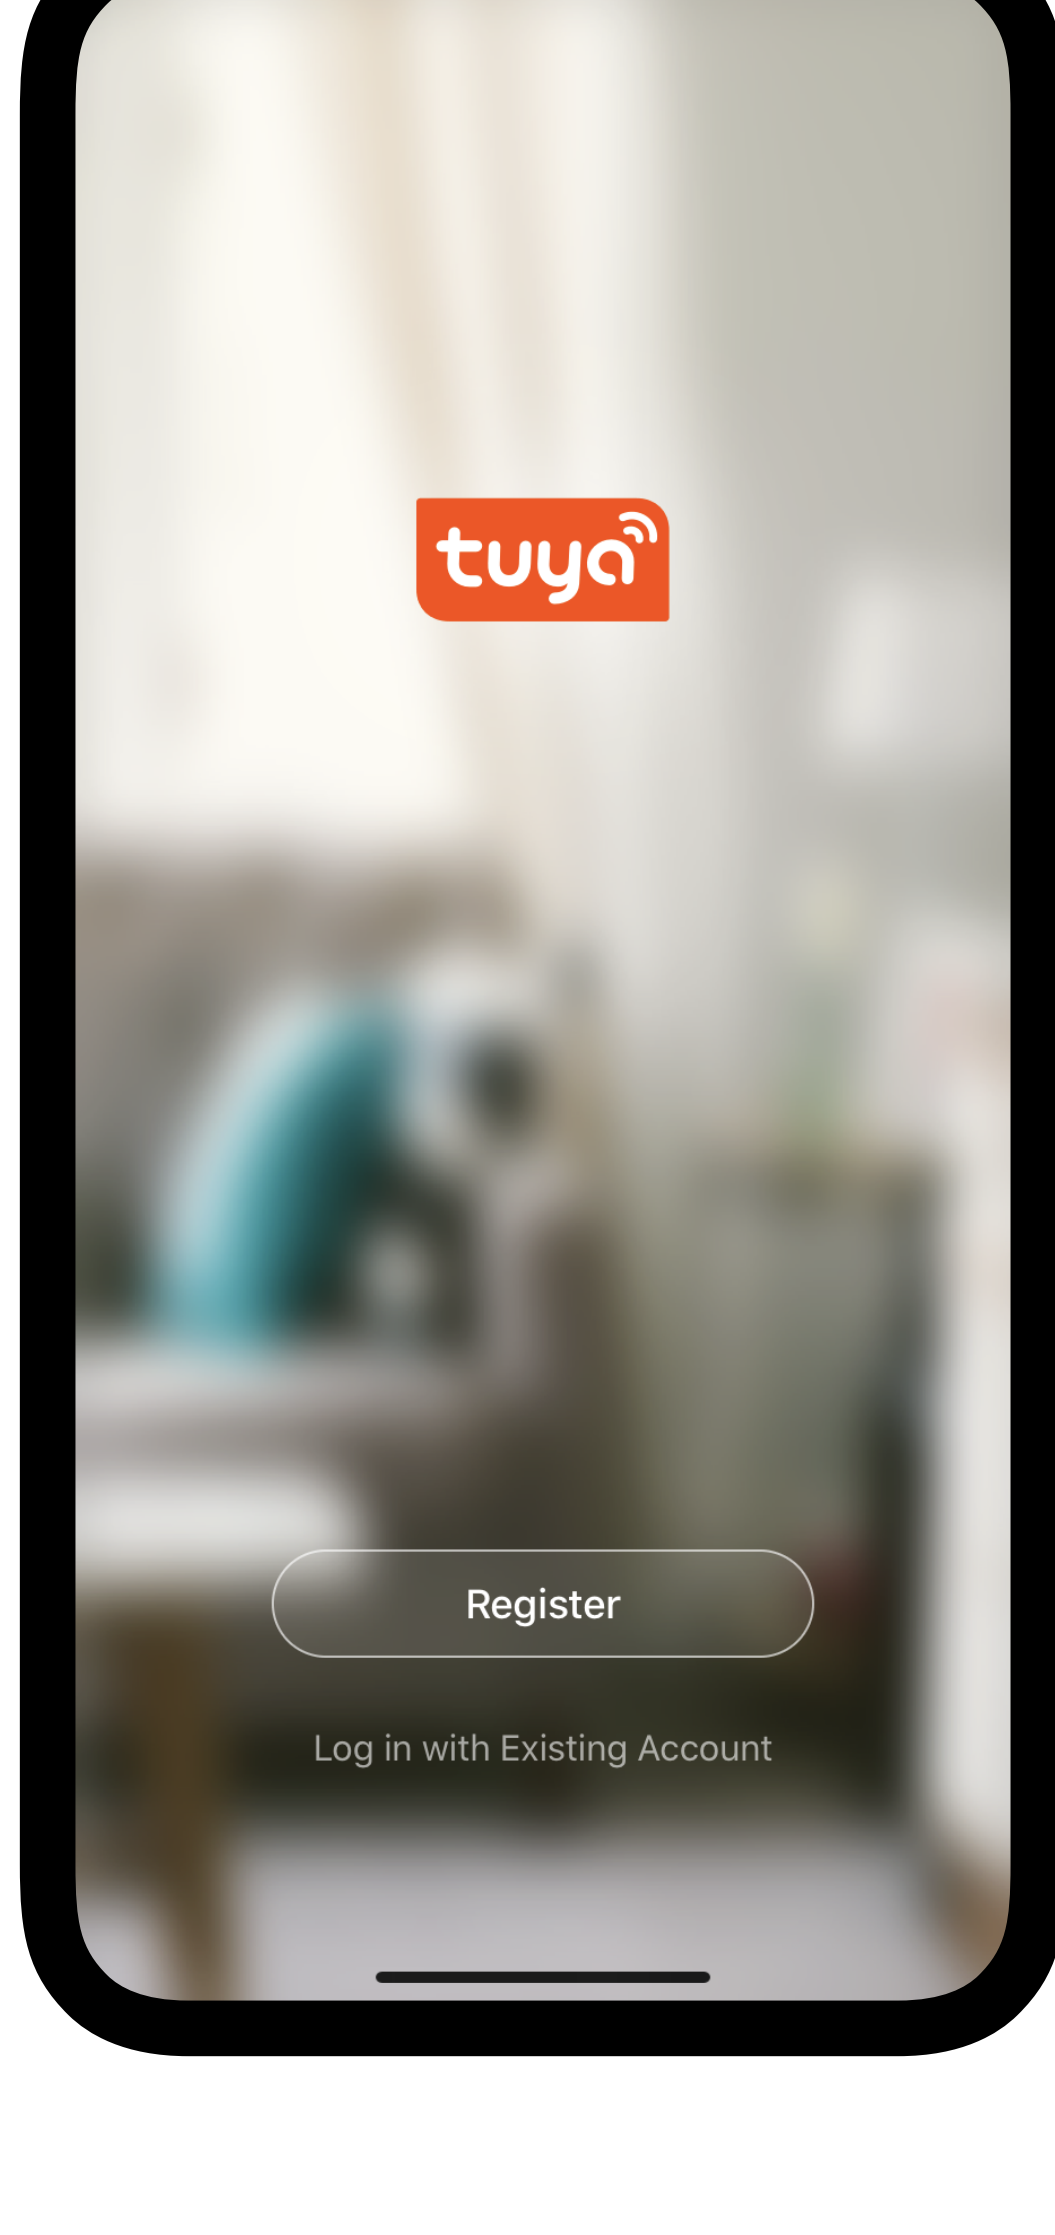

01

Download “Tuya Smart” from App store.

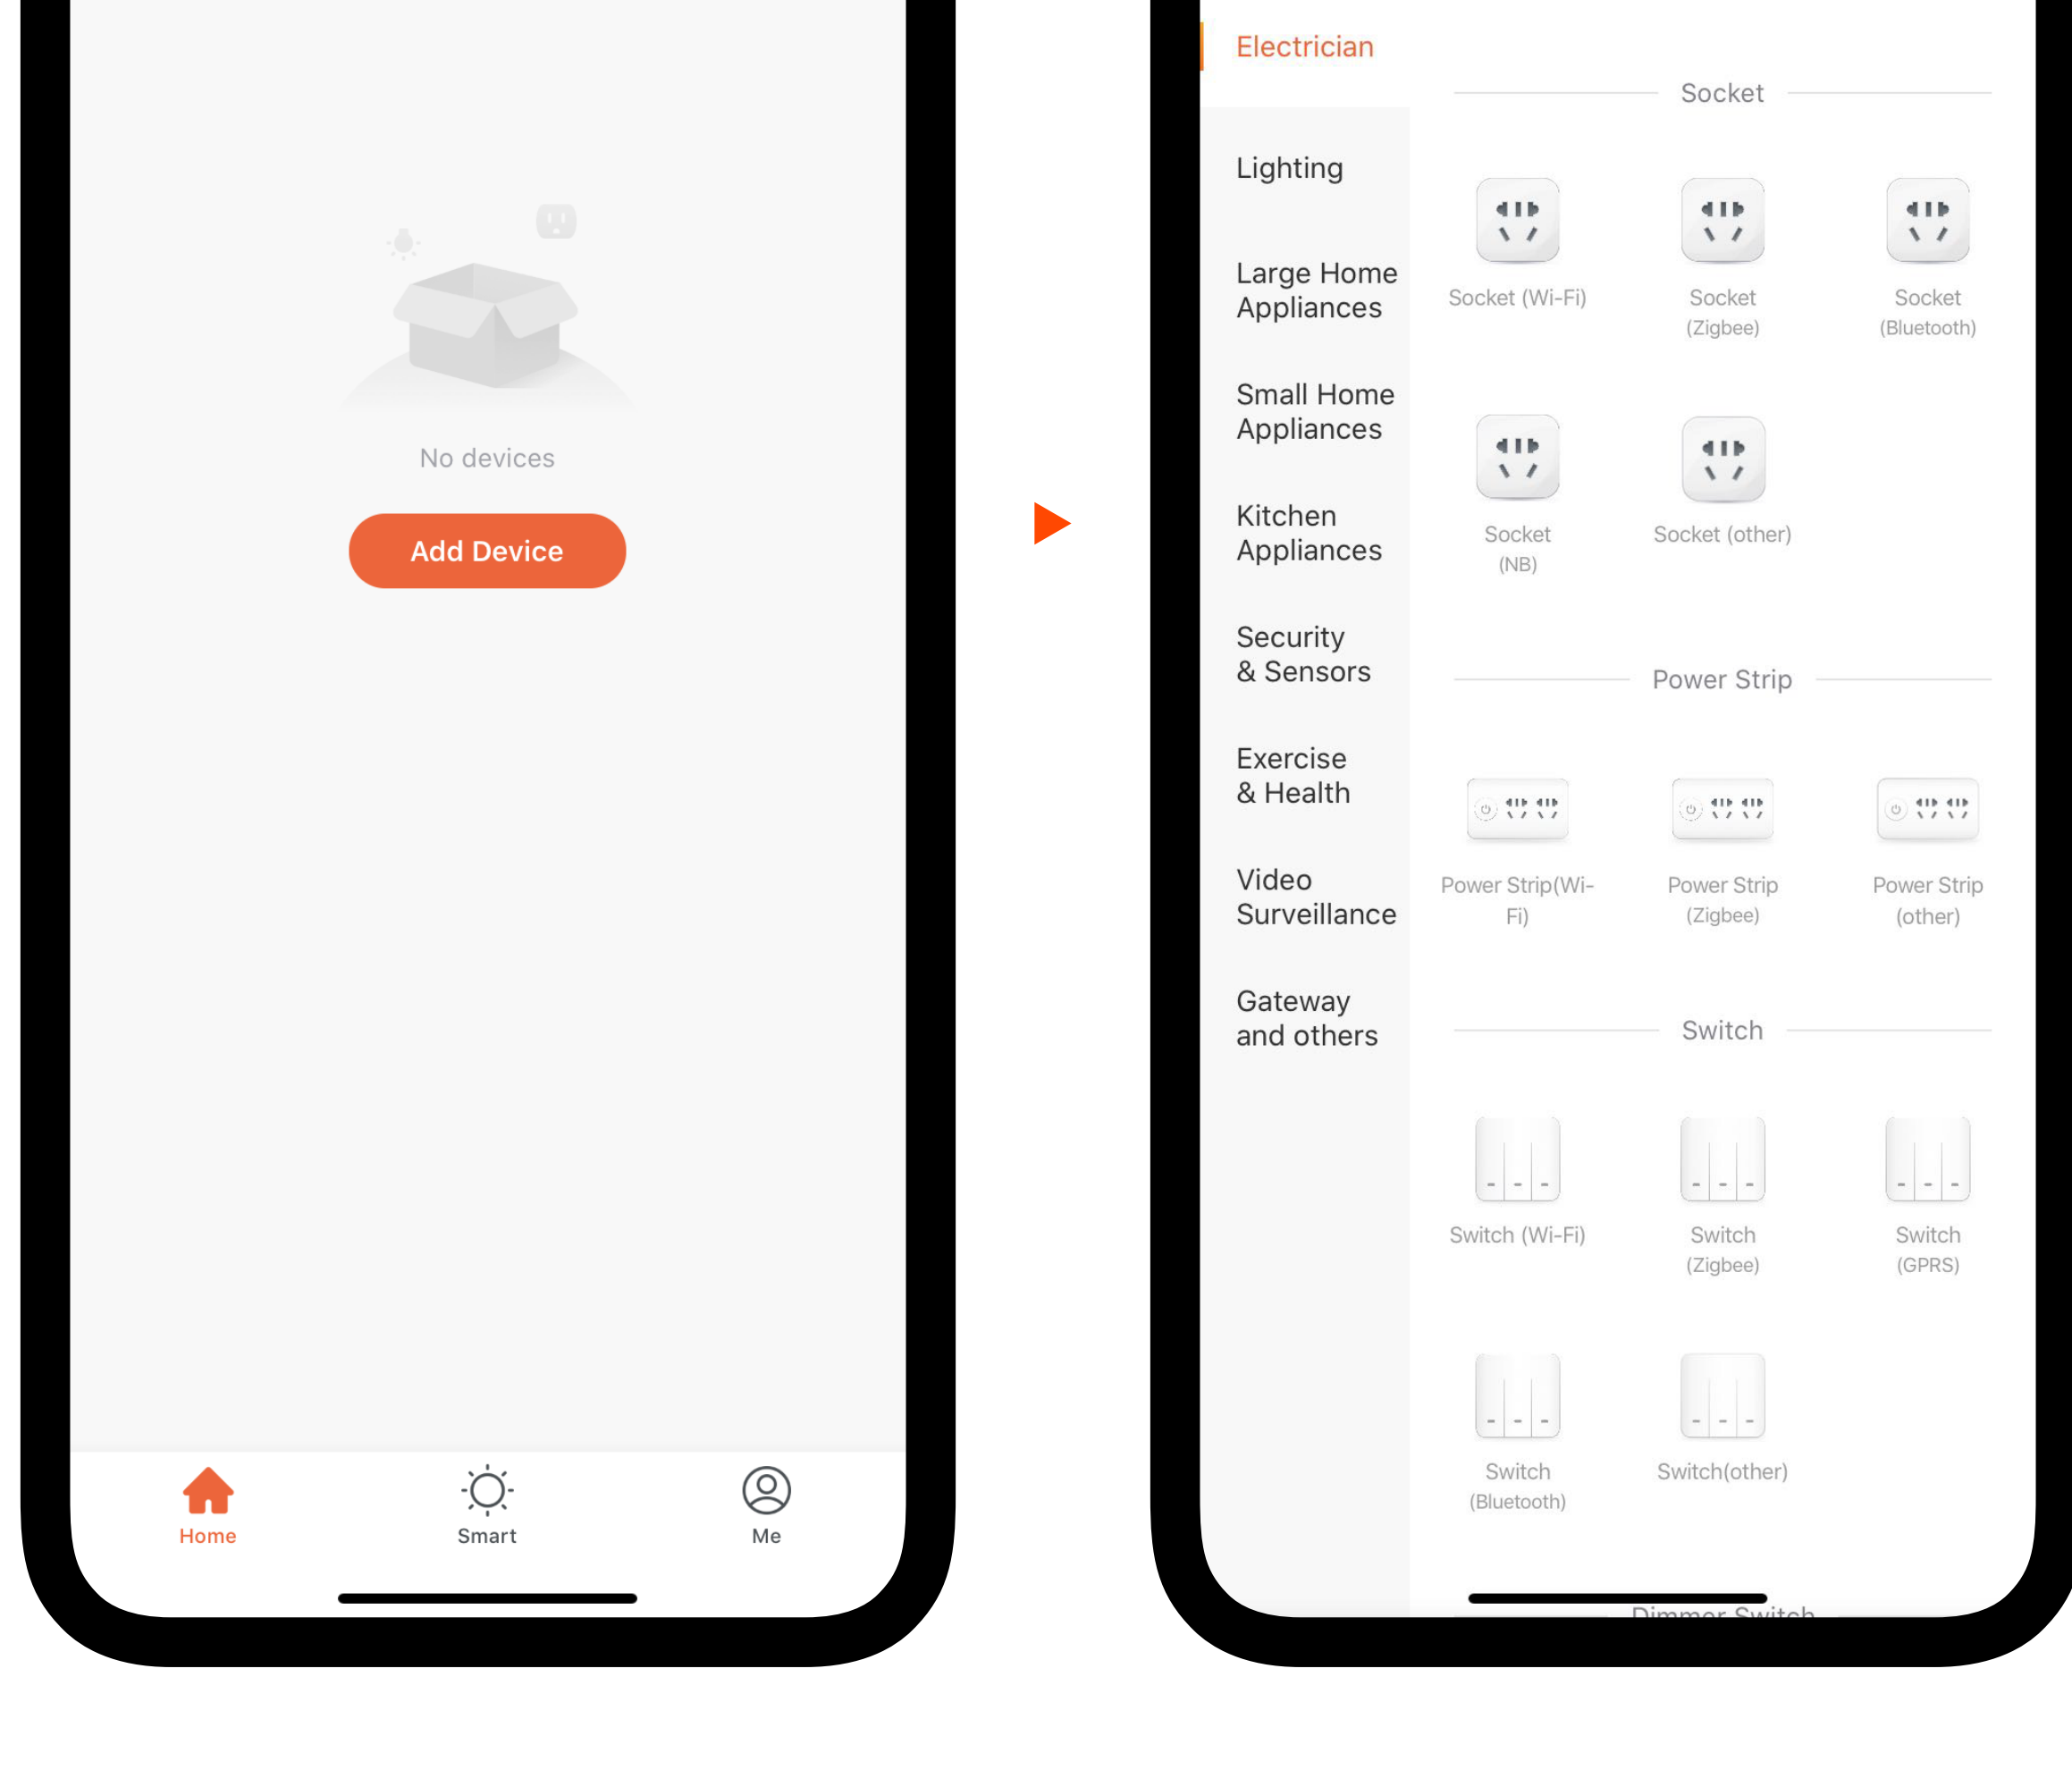

02

Register account and log in.

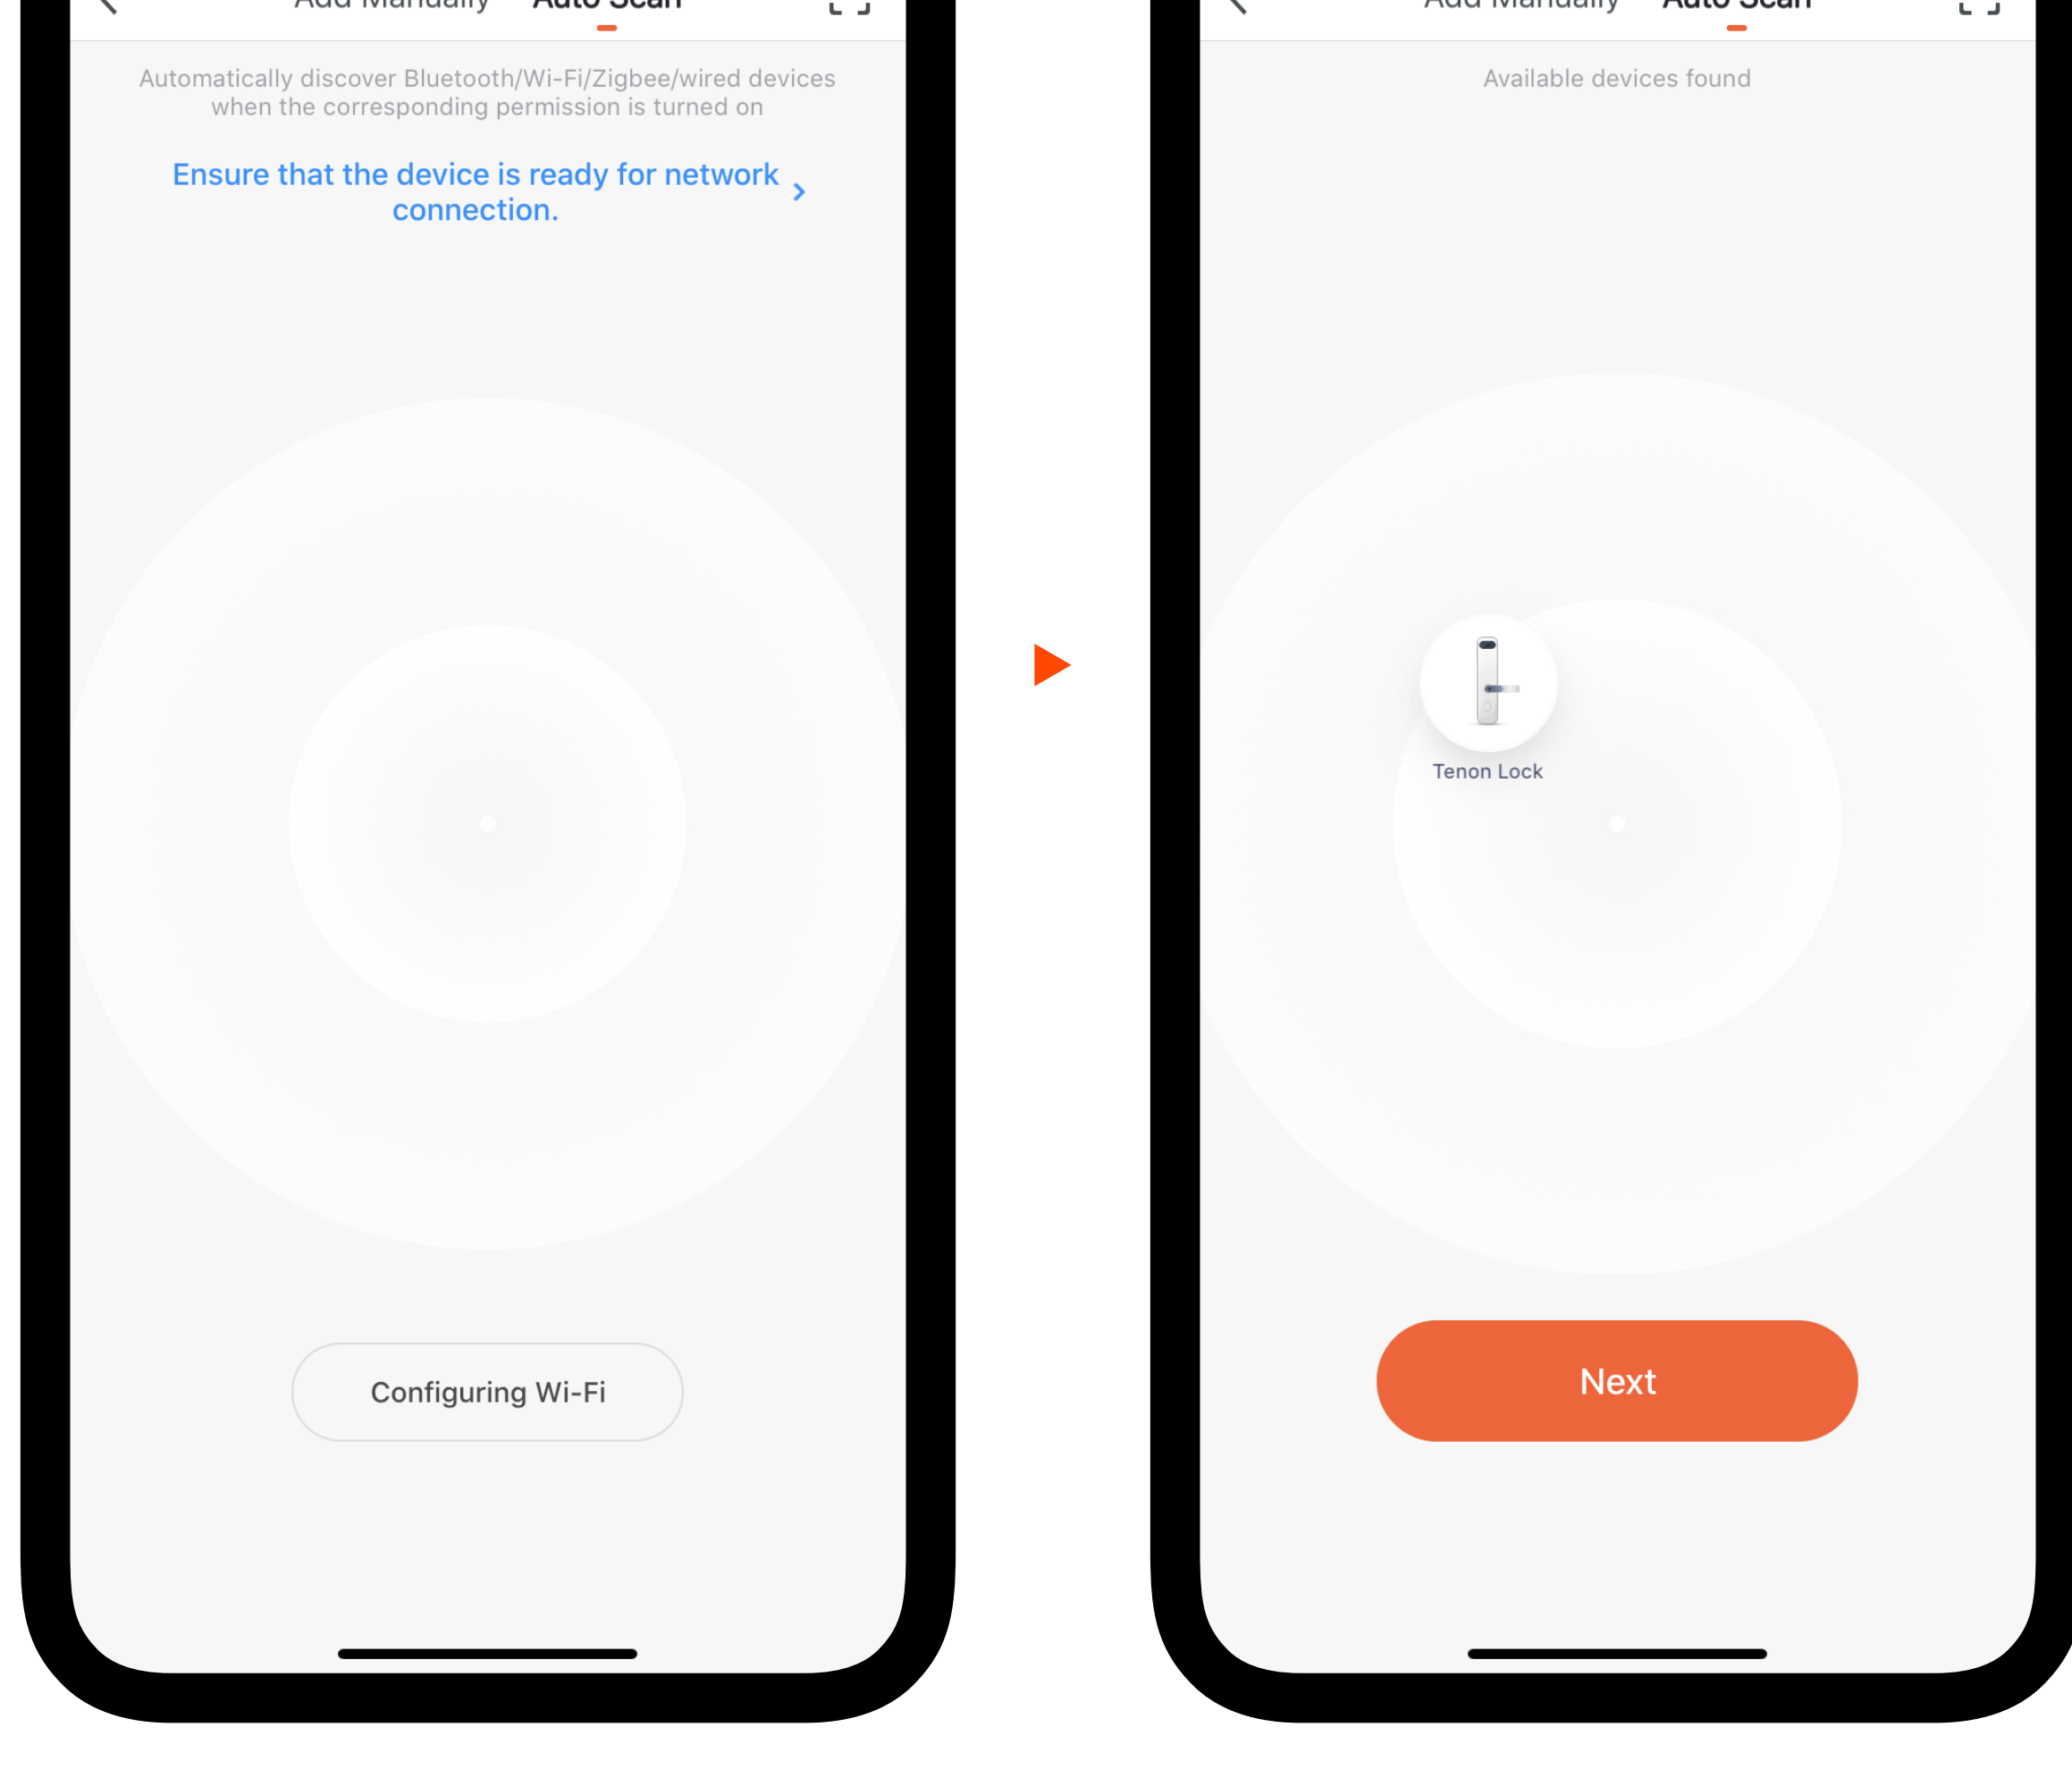

03

Please allow access to Bluetooth and turn on Bluetooth. Open Tuya App and choose “Auto Scan” by clicking on the “+” sign at the top right of Home.

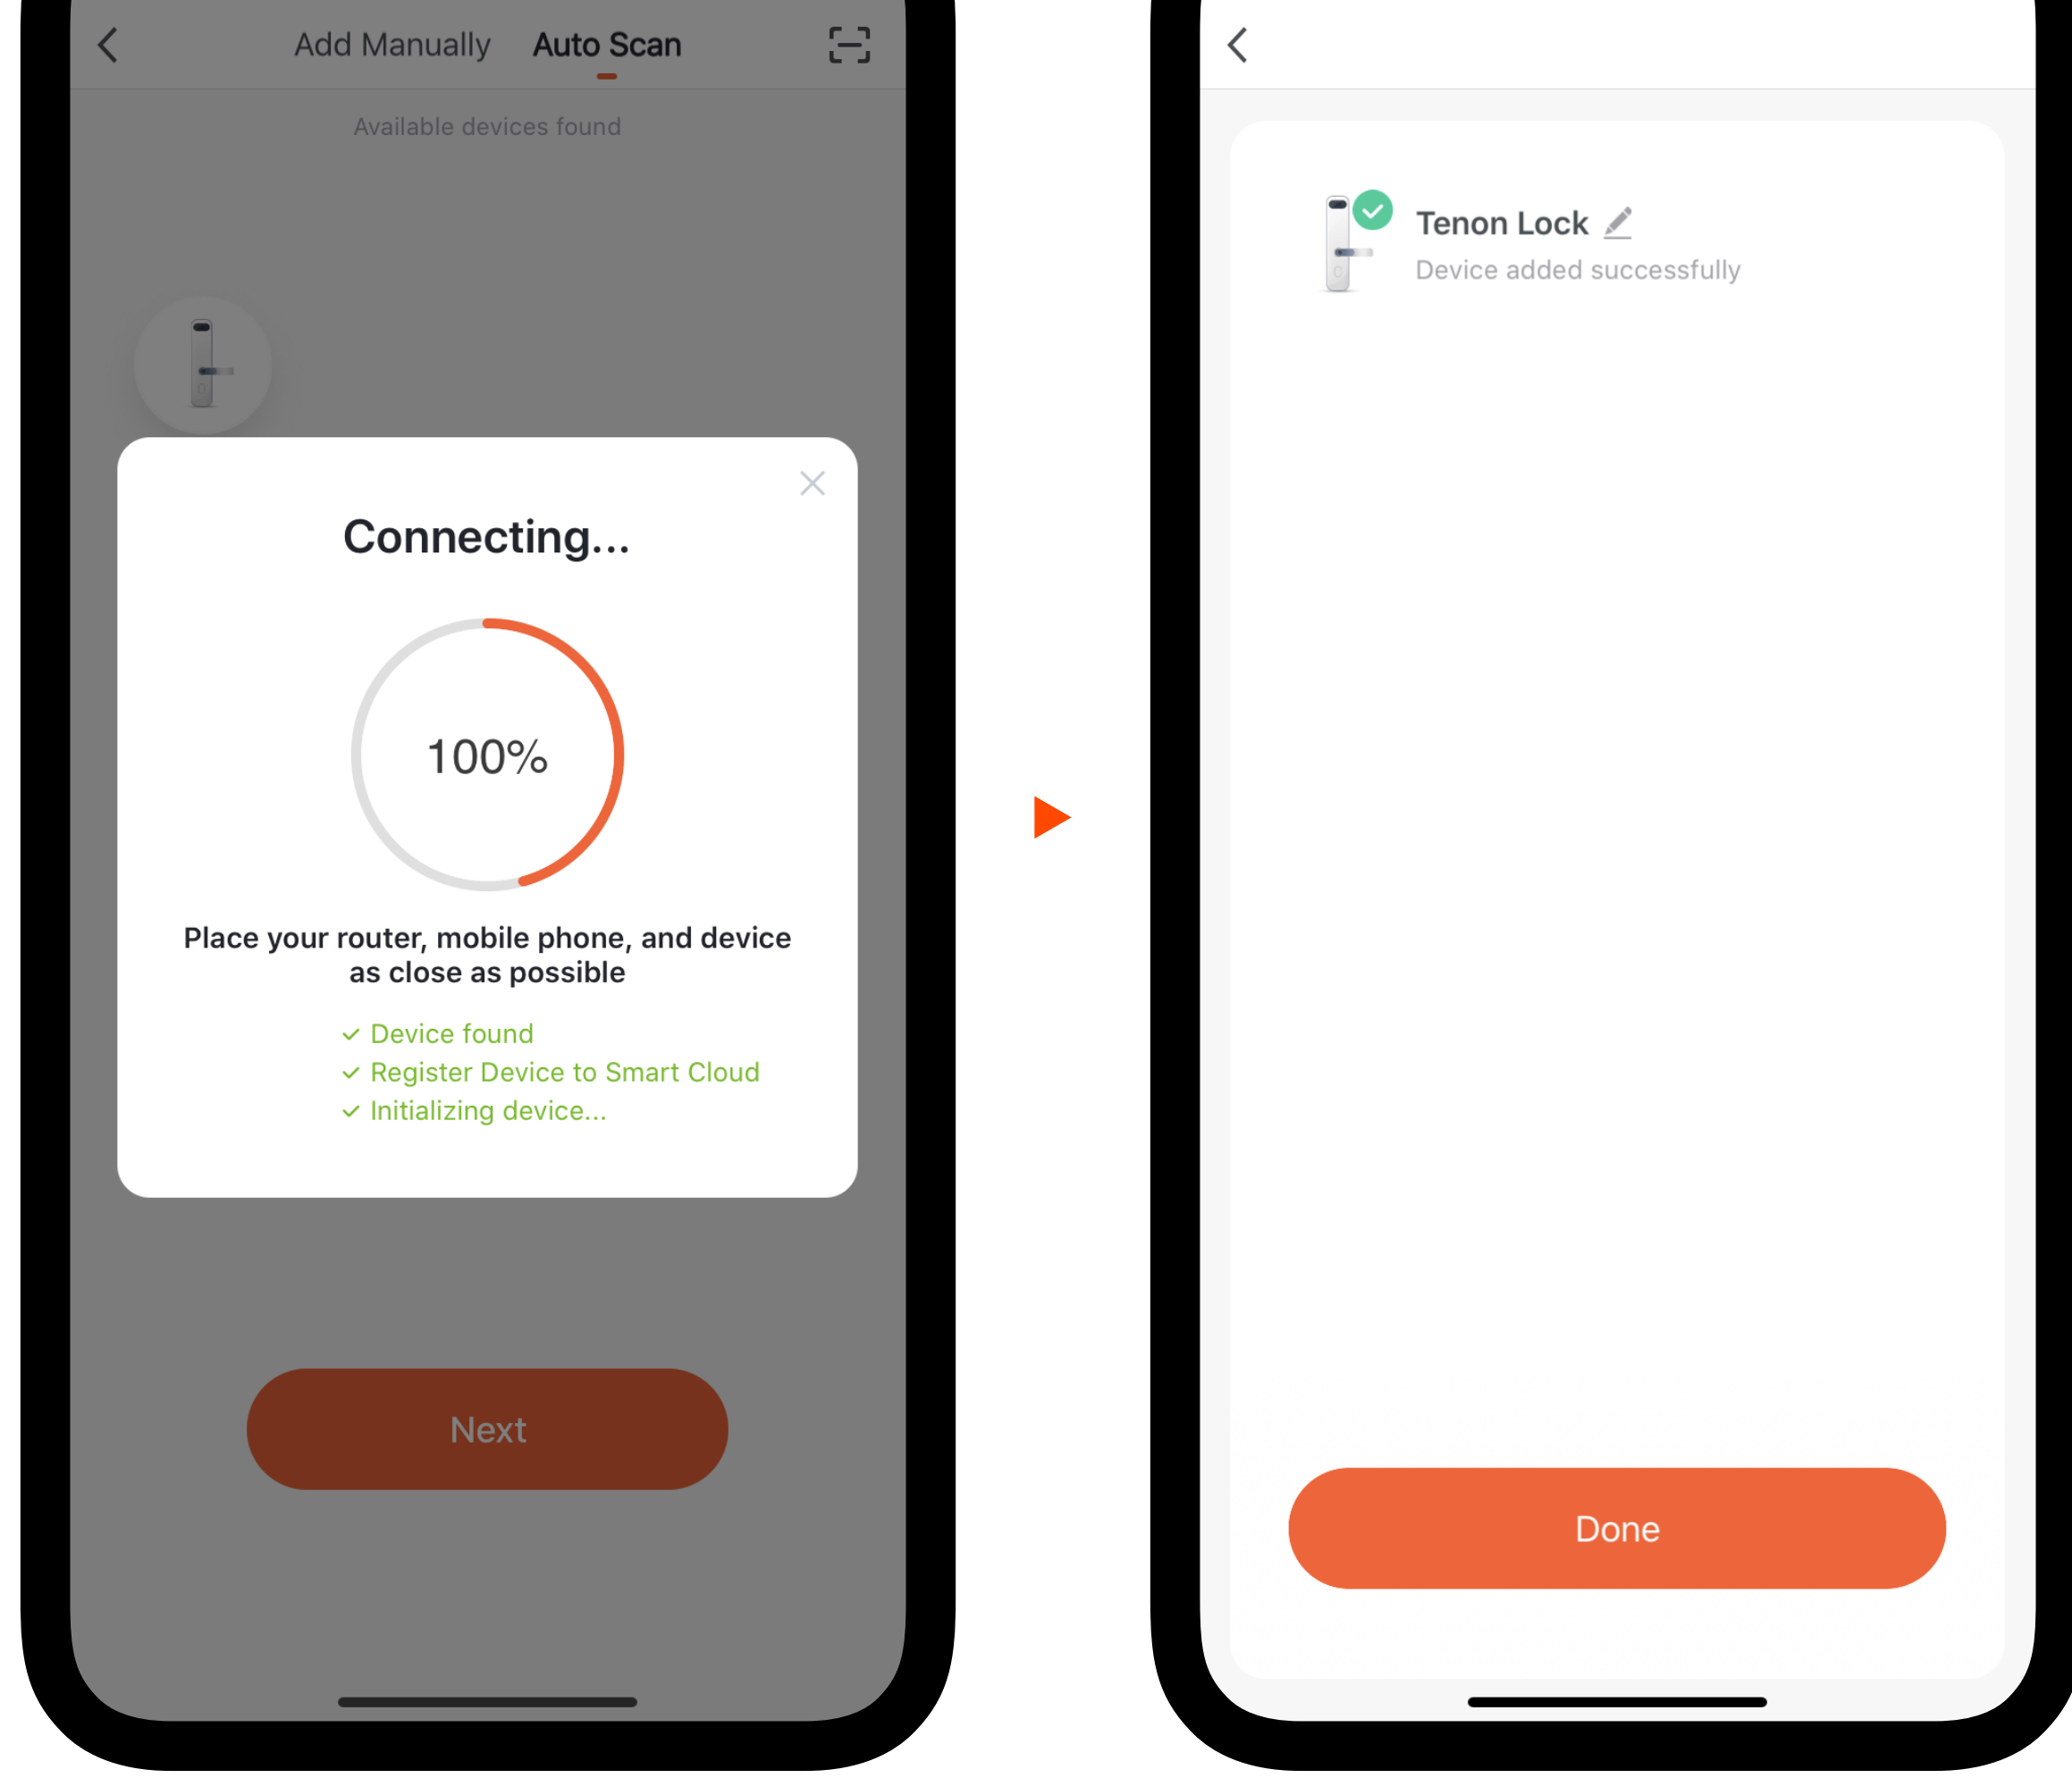

04

Click reset key on the lock. And automatically discover Bluetooth lock after hearing the voice prompt “Start Adding Bluetooth Devices”

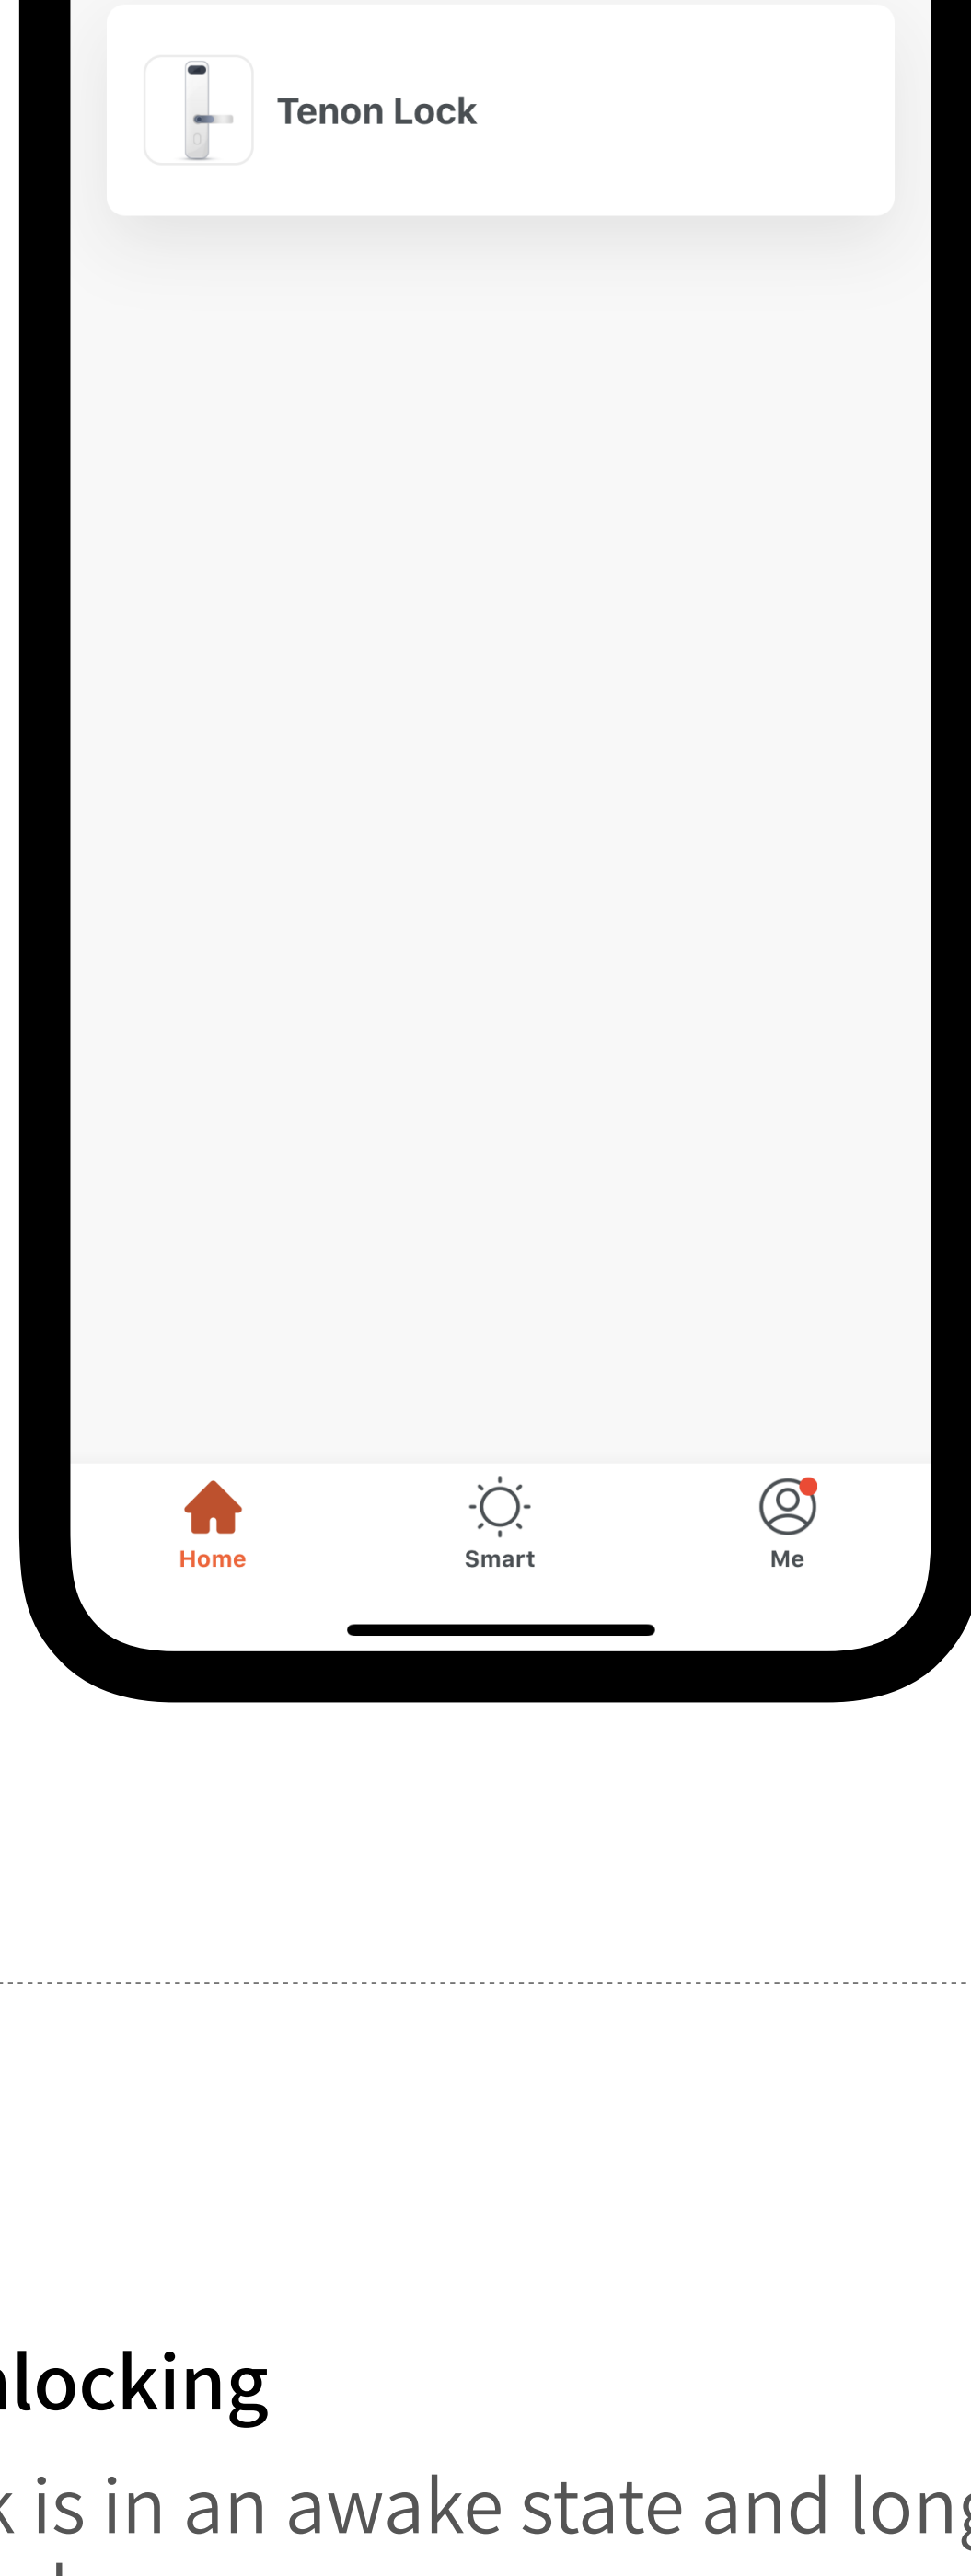

05

Follow the steps to add successfully.
